

# Tomorrow Will Never Come

J. Gleadall

Melody

8  
Stand - ing here in the dy - ing year With the

16  
sun glow - ing red on these clou - ded hills Days grow cold and the

24  
clouds un - fold On the dark and sa - ta - nic mills And to - day's the

day to make a be - gin - ing To - day's the day to search in your

32  
heart For to - day is your time and if you're going to climb

40 9  
Moun - tains so green you should start Stand - ing here with a

56  
brand new year at the cross - roads of time you can make a stand

Tell them, 'Build a Je - ru - sa - lem In this green and this plea - sant

64  
land.' And to - day's the day to make a be - gin - ing To -

72  
 day's the day to search in your heart For to-day is your time and if

80 8  
 you're going to climb Moun-tains so green you should start

Stand-ing here in the dy-ing year In De-cem-ber re-mem-ber that

96  
 hope was born Saved the world and the clouds un-furled On a

104  
 swee-ter and fi-ner dawn And to-day's the day to make a be-

112  
 gin-ning To-day's the day to search in your heart For to-day is your

time and if you're going to climb Moun-tains so green you should start

120 8  
 Will you say on your dy-ing day That the world is much

136  
 bet-ter for what you've done? Sword in hand did you un-der-

144  
 stand That to-mo-rrow will ne-ver come? To-mo-rrow will

ne-ver come.
